INTRODUCING HPE RENEW PROGRAM

Quality remanufactured HPE products, backed by original HPE warranty

EMPR is a **Renew Stocking and Sales Specialist**. HPE Renew is a worldwide program offering a comprehensive portfolio of quality HPE remanufactured products at attractive prices. All HPE Renew products undergo a rigorous refurbish process and are covered by the original HPE warranty, service and support options. Over 80% of HPE Renew products are less than 12 months old.

Discover the benefits of HPE Renew

- ✓ Great value
- ✓ Local inventory holding solutions
- ✓ HPE Certified Quality
- ✓ Broad range of HPE products available
- ✓ Latest HPE technology
- ✓ Access of up to 5 generations of HPE technology

**PARTNER WITH THE LEADERS**
